
Patient and Public Involvement and Engagement Training and Support

Patient and Public Involvement and Engagement – An introduction

An afternoon to learn more about patient and public involvement and engagement in general and opportunities at The Royal Marsden NHS Foundation Trust. This event is open to professionals as well as patients, carers and members of the public.

Date & Location: **Thursday 28 November 2019, Sutton
& Wednesday 11 December 2019, Chelsea**

Time: **13.30 – 17.30**

Registration, refreshments and lunch available from 13.30

Join us to:

- Learn about patient and public involvement and engagement and opportunities at The Royal Marsden
- Meet patient and carer representatives supporting acute services and research
- Network with like-minded clinicians, researchers and other professionals
- Learn how you can be involved / how you can involve and engage

To attend you must register and receive confirmation. Places are limited, please register early.

For more information and to register, please get in touch:

Telephone: **Lisa on 020 3186 5408 or Suzan on 020 3186 5409**
